

PSA Centrii

CENFLCAM2-B

Security Floodlight Camera

Bring intruders to light with the Centrii security floodlight camera's ultra bright floodlights and receive notifications anytime anywhere on the PSA Centrii app when its built-in motion detector is triggered. Remotely view the camera in Full HD during day or night and ward off intruders by speaking or activating the alarm buzzer through the app.

Features

- 3MP HD Camera
- Light control
- Local SD Card Storage and Cloud storage (subscription)
- IP65
- Zoned PIR control via app
- Wide viewing angle
- 2-way audio
- Security Siren
