

## FSB RANGE Flat Spade Bits

Discover our Flat Spade Bit range, precision-crafted for your drilling needs. Made from hardened high-grade carbon steel, these bits feature a 3-point tip with a cross cutter for clean drilling, precision angles to minimize jamming, and a non-slip triangular shank for secure handling. Sizes are etched for easy identification, and the hex shank ensures compatibility with most drills. With sizes ranging from 16mm to 40mm, our Flat Spade Bits are your trusted companions for projects, whether you're a professional or DIY enthusiast.
