

Steering Wheel Lockout Cover Kit - Volt Safety

Volt's Steering Wheel Lockout Cover Kit is designed as a visual deterrent to help prevent unauthorised use of a vehicle. This kit includes everything needed to safely lockout a steering wheel on multiple vehicles.

Key Features:

- Includes 40cm, 50cm and 60cm diameter steering wheel covers
- DANGER wording to indicate the possibility of injuries or death
- Suitable for cars, trucks, forklifts and other light vehicles
- Suitable for padlock shank diameter up to 11mm
- Black rust resistant brass grommet
- Durable vinyl cover
- Easy slip on back flap to attach to the steering wheel
- Includes a red keyed different Non-conductive Hardened reinforced Nylon Shackle padlock

Standards:

- AS 4836 (Complies with)
- AS 4024.1603 (Complies with)
