Fed Up With Sunburn And Getting Soaked On The Job?

The Trade Shade is a must-have for any tradie working under Australia's intense sun. This durable, lightweight, and portable shade sets up in seconds, giving you instant protection from harmful UV rays. Designed specifically for the tough conditions tradies face, it's ideal for on-site work, with its strong frame and heavy-duty material ensuring long-lasting durability. Beat the heat, avoid sunburn, and stay cool and productive no matter how scorching the day gets!

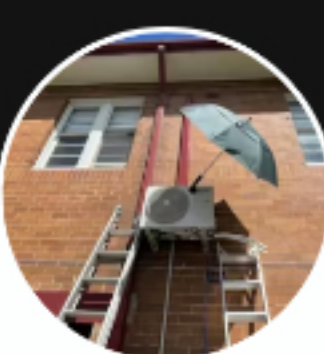

You Can't Work Without This!

- ✔ Put your comfort and safety first! Lightweight, strong and simple to set up, the Trade Shade is every tradie's best mate no matter the weather.
- ✔ Durable 1680d Ballistic-Weave Material: Built to withstand the rigours of daily use on the job site.
- ✔ Keep your whole crew productive and protected from the elements, whilst keeping in line with workplace sun safety standards.
- ✔ The Trade Shade holds most golf umbrellas to give you shade when it's burning hot, and a dry working area for you and your tools when it's pouring.
- ✔ The super-strong durable magnet is paint-safe allowing it to perform under any condition while giving you peace of mind that your client's equipment or property won't get damaged.
- ✔ The Trade Shade deploys in seconds to give you instant cover whether you're working on a switchboard or air-conditioner, changing a car tyre, or simply trying to keep the knock-off stubbys cool.

What Shoppers Are Saying...

NEXT LEVEL SUN PROTECTION

I have used the trade shade for almost a year now and there is never a job that I don't have it attached to an aircon to stop the brutal sun from shining on me. 10/10 product definitely would recommend and have already recommended to everyone

LIFE SAVER

Product is amazing. Just started my own business and with all this rain in Sydney this little contraption has kept me going. Would have lost thousands with out being able to use this. Great product. Definitely have gotten my moneys worth x 1000

- Matt Stewart (Verified Shopper)

CRAZY NOT TO OWN ONE!

5 second set up and you and your employees are 100% productive regardless of the weather. That added comfort when you're working results in higher quality work because you're not rushing to get the job done. Worth every dollar!
